

HOT CUP LID

IN WITH THE SMOOTH

SO, WHAT'S NEW?

Introducing the improved sleek and smooth Detpak lid offering more in terms of convenience, functionality and security - no more leaks or spills!

We begin with the look and feel of the lid, this sleek and smooth lid has a wider and open sip

hole for better flow of liquid. When snapped onto a Detpak cup, the snug rim fit ensures for a perfect fit with no liquid slipping between the rim and lid.

In-line with global standards this lid is locally manufactured and is made up of recyclable polystyrene. White and black options available.
